Run details

Run ID	10000000-0000-4000-8000-000000000006
Generated	2026-10-25T12:00:00Z
Model	fake:synthetic-report-fixture
Backend	pgvector
Reported tokens in / out	240 / 80
Clause / requirement / token caps	80 / 120 / 200000

Decision support

Decision support only, not legal advice. This report is limited to the ingested corpus and does not establish legal compliance.

Manual review is required

1 judgement failed. These findings are unresolved and are never treated as passes.

This run reached a limit

Reported caps: requirements. Review the run details; the analysis may be incomplete.

Printed selection: 8 of 8 findings. Filters: all severities, both directions, all verdicts.

GAP-0003

High severity · Conflict

SOP → regulation · mandatory requirement

Synthetic report fixture: conflict. Review the SOP beside the supplied regulation excerpt.

Compare evidence for GAP-0003

SOP clauses

SOP-001 · Synthetic report fixture — all verdict treatments

Staff record instrument checks. <script>This is quoted SOP text.
</script>

Regulation excerpts

Instrument checks — synthetic browser fixture · Page 1

Excerpt · Document 10000000-0000-4000-8000-000000000005 · Chunk 10000000-0000-4000-8000-000000000004

Staff must record instrument checks in a training log before using the equipment.

Relevance 0.820

Rationale

Synthetic report fixture: conflict. Review the SOP beside the supplied regulation excerpt.

> **Suggestion, not legal advice**
>
> Suggested fix (not legal advice): Review the cited regulation and revise the SOP clause so it no longer contradicts the requirement.

GAP-0008

High severity | Missing

Regulation → SOP · mandatory requirement

Synthetic report fixture: missing. Review the SOP beside the supplied regulation excerpt.

Compare evidence for GAP-0008

SOP clauses

SOP-001 · Synthetic report fixture — all verdict treatments

Staff record instrument checks. <script>This is quoted SOP text.
</script>

Regulation excerpts

Instrument checks — synthetic browser fixture · Page 1

Excerpt · Document 10000000-0000-4000-8000-000000000005 · Chunk 10000000-0000-4000-8000-000000000004

Staff must record instrument checks in a training log before using the equipment.

Relevance 0.820

Rationale

Synthetic report fixture: missing. Review the SOP beside the supplied regulation excerpt.

> **Suggestion, not legal advice**
>
> Suggested fix (not legal advice): Add an SOP clause that addresses the cited requirement.

GAP-0002

Medium severity | Partial

SOP → regulation · mandatory requirement

Synthetic report fixture: partial. Review the SOP beside the supplied regulation excerpt.

Compare evidence for GAP-0002

SOP clauses

SOP-001 · Synthetic report fixture — all verdict treatments

Staff record instrument checks. <script>This is quoted SOP text.
</script>

Regulation excerpts

Instrument checks — synthetic browser fixture · Page 1

Excerpt · Document 10000000-0000-4000-8000-000000000005 · Chunk 10000000-0000-4000-8000-000000000004

Staff must record instrument checks in a training log before using the equipment.

Relevance 0.820

Rationale

Synthetic report fixture: partial. Review the SOP beside the supplied regulation excerpt.

Suggestion, not legal advice

Suggested fix (not legal advice): Add the missing detail from the cited regulation to the relevant SOP clause.

GAP-0007

Medium severity | Partially addressed

Regulation → SOP · mandatory requirement

Synthetic report fixture: partially_addressed. Review the SOP beside the supplied regulation excerpt.

Compare evidence for GAP-0007

SOP clauses

SOP-001 · Synthetic report fixture — all verdict treatments

Staff record instrument checks. <script>This is quoted SOP text.
</script>

Regulation excerpts

Instrument checks — synthetic browser fixture · Page 1

Excerpt · Document 10000000-0000-4000-8000-000000000005 · Chunk 10000000-0000-4000-8000-000000000004

Staff must record instrument checks in a training log before using the equipment.

Relevance 0.820

Rationale

Synthetic report fixture: partially_addressed. Review the SOP beside the supplied regulation excerpt.

Suggestion, not legal advice

Suggested fix (not legal advice): Add the missing detail from the cited regulation to the relevant SOP clause.

GAP-0001

Low severity | Compliant

SOP → regulation · mandatory requirement

Synthetic report fixture: compliant. Review the SOP beside the supplied regulation excerpt.

Compare evidence for GAP-0001

SOP clauses

SOP-001 · Synthetic report fixture — all verdict treatments

Staff record instrument checks. <script>This is quoted SOP text.
</script>

Regulation excerpts

Instrument checks — synthetic browser fixture · Page 1

Excerpt · Document 10000000-0000-4000-8000-000000000005 · Chunk 10000000-0000-4000-8000-000000000004

Staff must record instrument checks in a training log before using the equipment.

Relevance 0.820

Rationale

Synthetic report fixture: compliant. Review the SOP beside the supplied regulation excerpt.

> **Suggestion, not legal advice**
>
> Suggested fix (not legal advice): No change suggested.

GAP-0005

Low severity | Needs manual review

SOP → regulation · mandatory requirement

Synthetic report fixture: judge_failed. Review the SOP beside the supplied regulation excerpt.

Compare evidence for GAP-0005

SOP clauses

SOP-001 · Synthetic report fixture — all verdict treatments

Staff record instrument checks. <script>This is quoted SOP text.
</script>

Regulation excerpts

The judgement failed. No checked regulation excerpt was supplied.

Rationale

Synthetic report fixture: judge_failed. Review the SOP beside the supplied regulation excerpt.

> **Suggestion, not legal advice**
>
> Suggested fix (not legal advice): Manual review is required because the automated judgement failed.

GAP-0006

Low severity · Addressed

Regulation → SOP · mandatory requirement

Synthetic report fixture: addressed. Review the SOP beside the supplied regulation excerpt.

Compare evidence for GAP-0006

SOP clauses

SOP-001 · Synthetic report fixture — all verdict treatments

Staff record instrument checks. <script>This is quoted SOP text.
</script>

Regulation excerpts

Instrument checks — synthetic browser fixture · Page 1

Excerpt · Document 10000000-0000-4000-8000-000000000005 · Chunk 10000000-0000-4000-8000-000000000004

Staff must record instrument checks in a training log before using the equipment.

Relevance 0.820

Rationale

Synthetic report fixture: addressed. Review the SOP beside the supplied regulation excerpt.

> **Suggestion, not legal advice**
>
> Suggested fix (not legal advice): No change suggested.

Outside the loaded documents

No conclusion was made for these clauses because the loaded corpus did not provide sufficient relevant evidence.

GAP-0004

Low severity | Outside loaded documents

SOP → regulation · mandatory requirement

Synthetic report fixture: not_covered_by_corpus. Review the SOP beside the supplied regulation excerpt.

Compare evidence for GAP-0004

SOP clauses

SOP-001 · Synthetic report fixture — all verdict treatments

Staff record instrument checks. <script>This is quoted SOP text.
</script>

Regulation excerpts

No regulation excerpt was supplied for this finding.

Rationale

Synthetic report fixture: not_covered_by_corpus. Review the SOP beside the supplied regulation excerpt.

> **Suggestion, not legal advice**
>
> Suggested fix (not legal advice): Review whether the applicable regulation is in the ingested corpus; no conclusion is made from this run.
